Man Mera Translation

Chorus
Mana mera kyu dole re?
Oh my soul why do you waver?
Naina nee-ra se bhare re
Oh eyes full of tears
Moh ban-dhana ne ghera re
Bound by the fetters of infatuation
Mana mera kyu dole re?
Oh my soul why do you waver?

Verse 1
Maharaja biraajey aasana mei
The king is seated on the throne
Surya chandra uski gouda dhare
The sun and moon circling in his lap
Bhavara se tujhe vahi tare re
From the whirlpool of your turmoil he will save you
Mana mera kyu dole re?
Oh my soul why do you waver?

Verse 2
Kshatra nakshatra uski parikrama kare
The celestial bodies orbit around him
Teja ko usake surya namana kare
Before his brilliance the sun bows in worship
Gehraai uski ko-i na naapa sake
No one can measure his depth
